  - Voluntary Title 10/12301(d)/(h) orders
    - Sanctuary, Med Hold, Legal Hold, Critical fill requirement

# Readiness Relationship

- Supported Commander/CO - Reserve CO relationship
  - Supported Commander is reporting senior
  - Executing alignment improves our Active-Reserve integration
  - Naval Reserve Unit COs will engage their supported commander to determine their requirements
  - Active component commanders to enthusiastically embrace this new relationship and leverage their Naval Reserve component capabilities
  - Recognize that many commanders in our Navy already enjoy such a constructive relationship

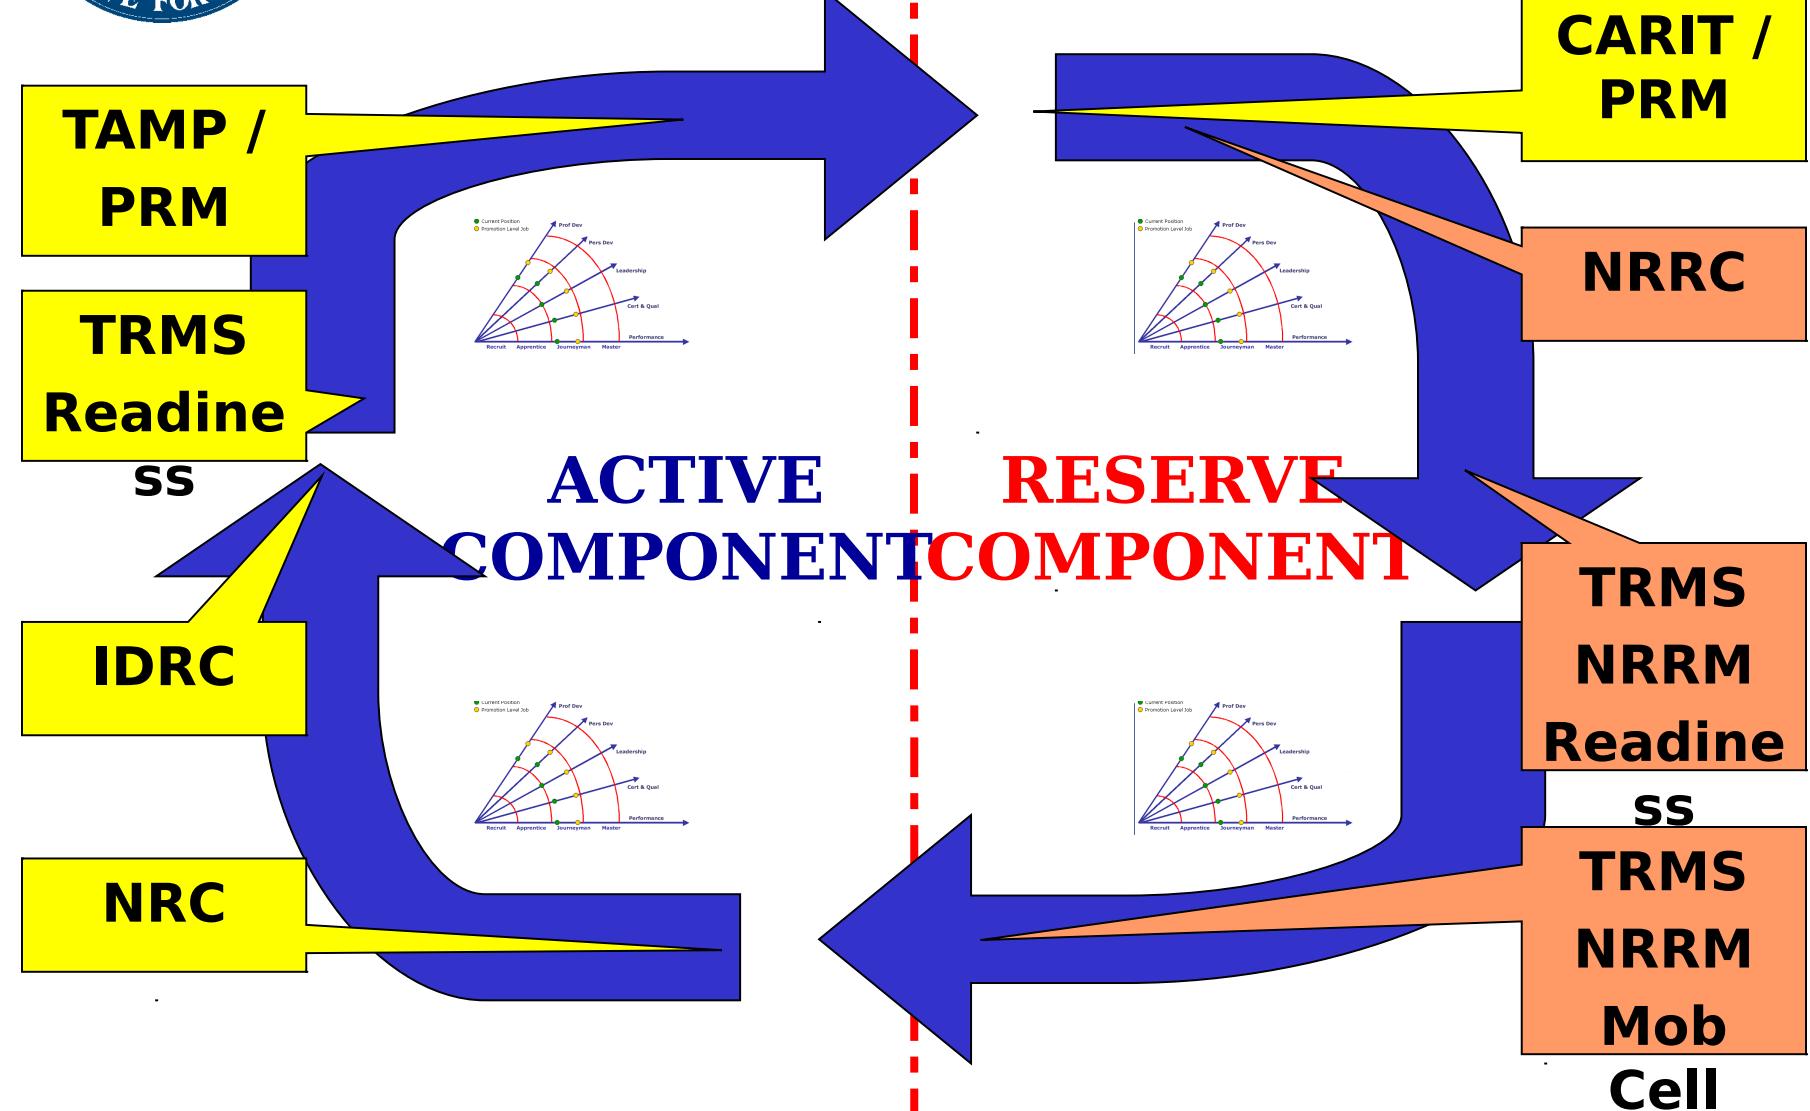

# Top Mobilization Initiatives

- Process improvements
  - TYCOM Readiness Management System (TRMS)
  - NMCMPS (RTM / SM / orders / E-checklist )
  - PERS-44M order writing / NMPS alignment to RC
  - Consolidated Lessons Learned
  - Working Group Conferences (JFCOM, NMPS, PERS/IA)
- One stop shopping CNRFC website
- Training (Navy E-Learning online)
